

## Privacy Statement

Updated February 16<sup>th</sup>, 2023

### Collection, Use and Disclosure of Personal Information

- David may store contact details, such as email addresses and phone numbers.
- To meet government requirements, general accounting data/information (e.g. money paid, money received) is collected for at least five years.

### Website

- The website runs on Linux, and Linux logs many things including IP addresses, date, time, page visited, etc. Log data is processed and aggregated with AWStats visitor statistics.
